SUBJECT: Youth Program

I received a letter of appreciation in regards to the December 10<sup>th</sup> Youth Program. Brian Hartman, Student Advisor for Liberty High School, stated his experience as being, "the best educational field trip, real-life type of program he has ever seen", and has plans to make this opportunity a tradition.

The students, he says, have not stopped talking about their experience and they wanted Barry, Devon and Brian to know how important their message was to them and how inspiring they were.

You all have made a positive impression on the students and Mr. Hartman. They said it was an experience they will never forget and they are very grateful for the time you spent to talk with them.

Thank you,

Marjorie Petersen, CIPC
